

SOUTHERN REGIONAL TECHNICAL COLLEGE CALENDAR

Entrance Dates: The academic year at Southern Regional Technical College consists of three semesters- fall, spring and summer —with normal school holidays. A number of programs may be entered at the beginning of each semester. However, some programs begin on a twice per year or once per year cycle. Check with the admissions office to inquire about program start dates. The College Calendar is subject to change upon approval by the President.

Please note: that SRTC conducts most business Monday through Thursday and has limited functions available on Fridays.
